To All Parents and Carers

Dear Parents and Carers,

As you will see from the attached information and questionnaires, St. John's will be the subject of a Section 5 OFSTED Inspection under the new OFSTED framework. This will take place on Tuesday 7th and Wednesday 8th February 2012.

I am confident that we can demonstrate to OFSTED the high quality of education we provide for our students, which is achieved through the excellent support of our parents and carers, the dedication and expertise of our teaching and support staff and the commitment of our students to their studies, the school and our community.

I am sure that I can count on your support and the support of our students to be able to celebrate the achievements over these two days, particularly in their commitment to learning and to a high standard of behaviour during the Inspection.

I will obviously notify parents and carers of the outcome of the Inspection as soon as I am allowed to do so.

Together we can make a difference!

Kind regards,
