

11th January 2010

Dear Parents/Carers and Students

On Friday 22nd January St John's School is hosting an astronomy event from 5 p.m. to 7pm., in the Engineering Suite at St John's School.

There will be a talk from a member of **Starwatch** followed by telescope observations of the night sky outside. This will give families the opportunity to learn about space and stars and have first hand experience in using telescopes. Hot drinks and snacks will available to buy, provided by St John's Parent-Teacher Association to keep everyone warm on the evening.

If you would like to attend this event, please return the slip below, by Wednesday 20th January 2010.

If you require any further information on the event please contact Mr. J Yiangou or Mrs V Madden at the school.

Yours sincerely,

Mrs V Madden
Careers Officer and Assistant to the Director of Engineering

✂-----

Reply slip: Please detach and return to Mrs V Madden at School, by Wednesday 22nd January 2010.

I/we would like to attend the **Starwatch** Astronomy Evening on the 22nd January.

There will be.....people attending.

I would like to bring a <i>total</i> of _____ people to this event.
