

7th December 2009

Dear Parents and Carers,

AFTER SCHOOL BUS PROVISION

At St John's we are committed to providing our students with positive learning experiences during and beyond the school day. I am pleased to be able to inform you that starting from 7th January 2010 there will be two additional School Buses that will leave the School at 4.15 each Thursday to allow more students to take part in some of the School's extra-curricular or revision activities. This bus service will be offered at no cost to parents.

P.E activities that are available on Thursdays after school are Badminton, Football, Netball and Rugby Clubs. I know that Year 11 Maths GCSE Revision classes are also well-attended; teachers from the Technology Department are keen to help students with Engineering or Product Design projects, too. There will also be an opportunity for students to take part in Creative Partnership workshops; this is a new initiative designed to introduce more creativity into the curriculum

The timetables are given below. In order to discover the number of students who are interested in taking advantage of this offer, I should be grateful if the Reply Slip could be given to me personally before the end of term, the 18th December. **If I do not receive the Reply Slip, the School can not guarantee that there will be a seat available for your child.**
